

Galaxy's Paradise Activity Ideas: Write a letter to an alien friend telling them why Earth is the best place to live.

Dear Alien Friend,

LOVE THE EARTH

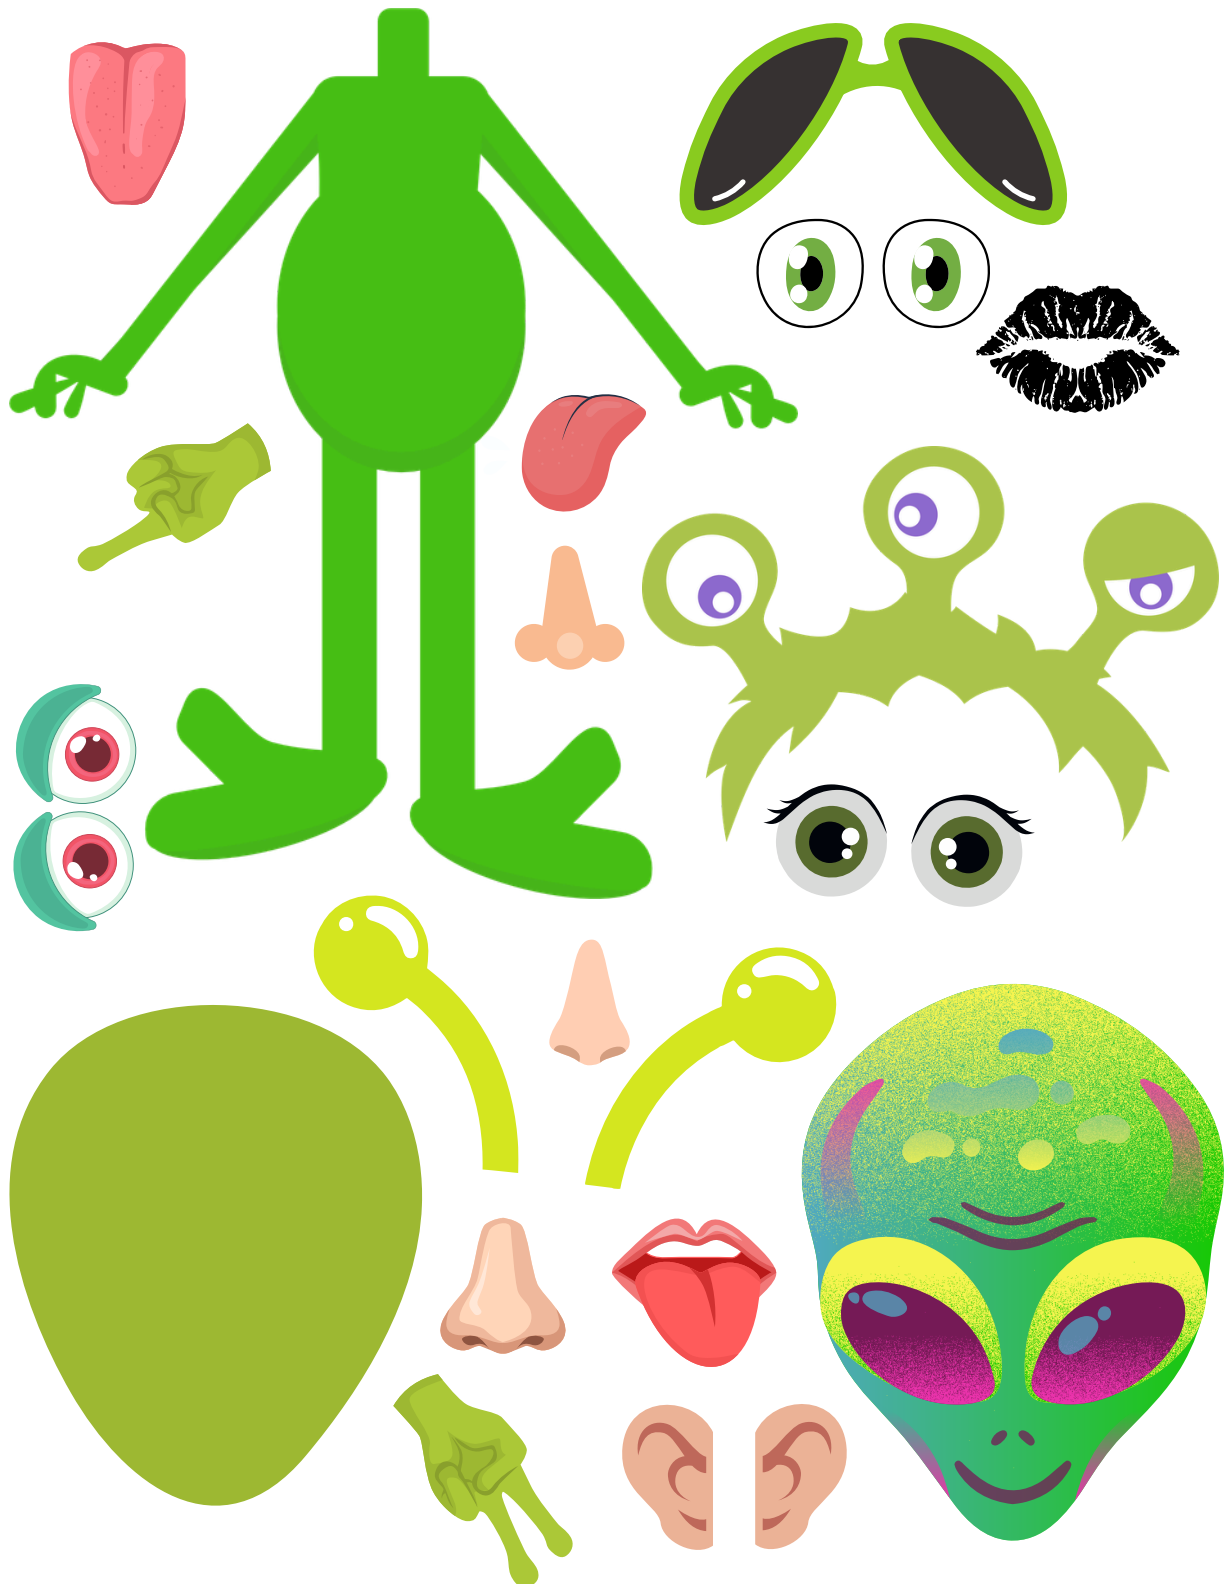

COLOUR IN THE ASTRONAUT

Alien Creation

Cut, paste and create your own alien

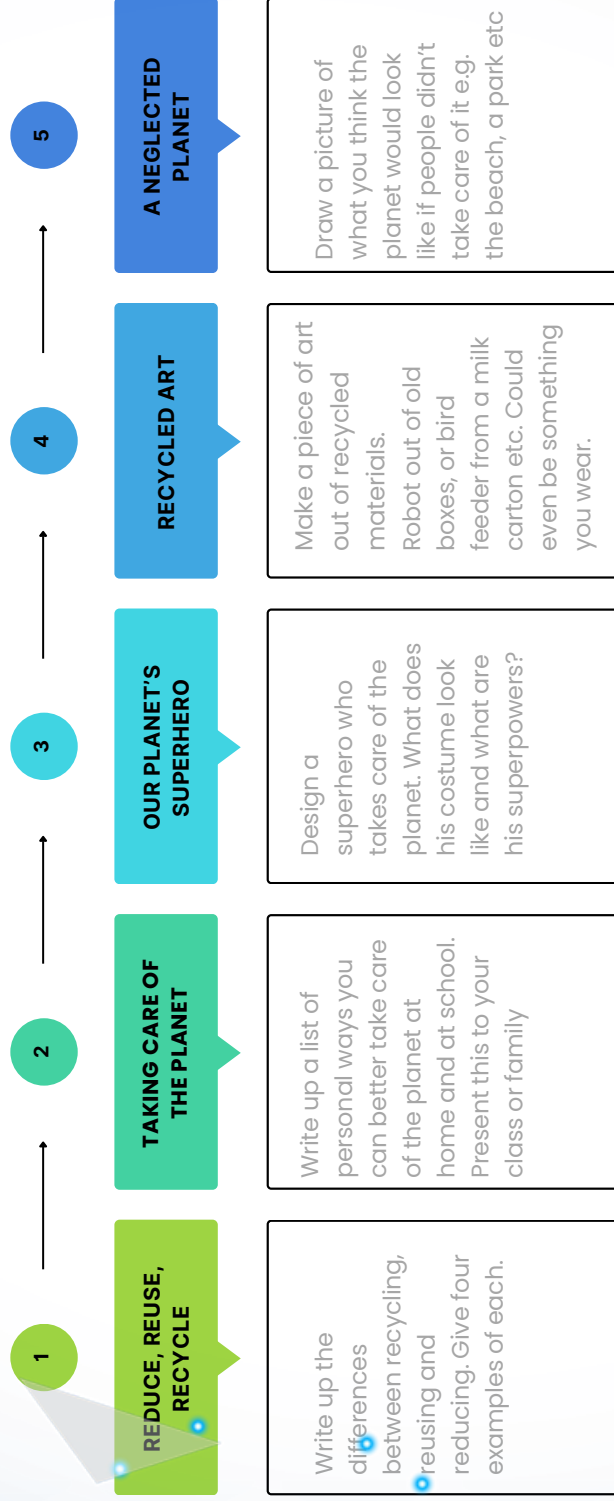

Planet Earth Project

Make a poster, booklet, Report or slideshow including any/all of the following information.

Solar System Project

Make a poster, booklet, report or slideshow about the Solar System, including the following information.

What's in Space?

Make a space scene and label things like the Sun, stars, planets, rockets, and the Moon. Add in a rocket and astronaut.

Letter to Aliens

Write a letter to aliens from another planet explaining why Earth is such a great place to live.

Favourite Planet Page

Choose your favourite planet and make a special page all about it.

Create My Own Alien

Create a drawing of your own alien. Label its features.

Planet Comparison Chart

Make a simple table comparing features of the planets— e.g. hottest vs coldest, how many moons, rocky or gas etc

Space Dress-Up Guide

Copy or paste a picture of an astronaut and label what they wear - helmet, boots, space suit etc

Galaxy's Paradise Invite

Create a Galaxy's Paradise Party invitation.

Solar System Quiz Time

Create your own fun quiz questions with answers (e.g., "Which planet is blue?"). Try them on your friends
